

Grooming Instructions

Pet Name: _____

Instructions: Fill out to the best of your ability by checking those items you want done to your pet. If you require an estimate prior to grooming, specify by checking the first line. After checking those items you require, put any descriptions of type of cut, length, what areas not to cut, or what areas you do want cut that are of specific concern to you.

- Please call with estimate prior to grooming!**
- Mini-Groom:** Bath, express anal sacs, toenail trim, blow dry, brush-out, ears cleaned, sanitary clip, trim face, feet and tail. Discharged with bows or bandana.
- Full Groom:** Mini-Groom + whole body is trimmed to breed specification, puppy cut, shave down or owner description.
- Shave Down:** This may be the only option when the coat is matted severely and cannot be brushed out without extreme pet discomfort. We will only do Shave-Down with prior owner consent!

Owner description of trim:

VMC Groomer: Terrence

CKVC Groomer: Katherine

***Items below are at an additional charge:**

- Medicated Shampoo:**
 - 1. Oatmeal _____
 - 2. Sulfoxydex _____
 - 3. Chlorhexidine _____
 - 4. Organic _____
 - 5. Malaseb _____
 - 6. Owner supplied shampoo _____
- Dremel Nails:** Nails filed down with Dremel and rounded. Not filed "too" short.
- Furminator Undercoat Removal:** Using the "Furminator" tool, as much undercoat as possible is removed.
- Dematting:** Done at an additional charge when coat is matted and mats are capable of being brushed out.

Owner Name _____ **Contact Number** _____
